**Background/Supporting Information**

The Capital Long-Range Improvement Committee (CLIC) is an appointed citizen advisory group tasked with evaluating and rating capital project submittals for the City's Five-Year Capital Improvements Program. The process concludes each year with the issuance of the CLIC Report which serves as a recommendation to the Mayor and City Council of what projects are being recommended for funding in the five-year plan.

The Executive Committee of the larger CLIC group meets with the Mayor and City Council to discuss their recommendations and highlights of the CLIC Report. Attached to this letter is the agenda that will be used for the City Council presentation on July 27<sup>th</sup> at 2:30 pm – Time Certain. Also attached to this letter is a hyperlink to an electronic copy of the 2009 CLIC Report on the City's public web.
