**Update – September 2004**

A large number of Ward 13 residents have expressed training in this program. Both the September and October training sessions have been well-subscribed.

The September session is underway.

**Update – October 2004**

The October training session was fully subscribed, with Ward 13 residents making up two-thirds of the class.

**Planning for 2005**

Due to the success of this fall’s training programs, we are working with the Fire Department on planning more training sessions in 2005.

As information on the 2005 training sessions become available, it will be posted on this website. A number of residents have called us with an interest in next year's training. If you would like to be notified directly by our office when information becomes available, please call or email the Ward 13 office.
