SUBJECT: Nomination of Gregory Stubbs to Director of Regulatory Services

Dear Executive Committee Members;

I am submitting the name of Gregory Stubbs as my nomination for the Director of Regulatory Services.

Mr. Stubbs brings long experience in managing compliance, planning, development and sustainability for local governments. Most recently, he served as director of Growth and Resource Management for Volusia County, Florida (population 495,000), where he was responsible for a budget of \$34 million and 180 full-time positions. In that role, he managed permitting, licensing, planning and economic development.

He has also served as director of planning and/or development for the City of Deltona, Florida; the City of Baytown, Texas; Sumter County, Florida; and Lake County, Florida. He has also worked in the private sector as a consultant and a business developer. He holds a B.A. from the University of South Carolina and is certified by the American institute of Certified Planners.

Mr. Stubbs will bring a unique set of skills and experience to the City of Minneapolis, including a fresh perspective on how the interplay of regulation, planning and development can promote health, sustainability and economic vitality.

Upon your concurrence with this appointment, I request that you forward this to the Regulatory Energy and Environment Committee for City Council Action.

Sincerely,

Mayor R.T. Rybak
