Subject: OP #7540

Dear, Mr. Blanchet

As a follow up to our telephone conversation today concerning OP #7540, B.M.S.I. did not submit a substitution request according to the bid documents. Information on substitution requests can be found in section 01 60 00 -PART 1 - GENERAL PRODUCT REQUIREMENTS 1.3 B of the project manual. Therefore we cannot accept the bid from B.M.S.I.

Regards,

Randy Rasmussen, Facilities Supervisor

Bruce and Heidi,

Chris Larson and I reviewed the documents this morning. It does not appear that BMSI submitted a substitution request according to the bid documents. Specifically 'SECTION 01 60 00 -PART 1 - GENERAL PRODUCT REQUIREMENTS 1.3 B'. That said, pending review by MDCR, Hufcor Minnesota appears to be the lowest qualified bidder. If procurement is in agreement can we contact Civil Rights directly to determine if Hufcor has complied with the SUBP goals or made a good faith effort as determined by MDCR?
