

**Request for City Council Committee Action
From the Department of Health & Family Support**

Date: June 22, 2011

To: PUBLIC SAFETY, CIVIL RIGHTS & HEALTH COMMITTEE
Referral to: WAYS & MEANS/BUDGET COMMITTEE

Subject: ACCEPT ADDITIONAL REVENUE FROM THE MINNESOTA
DEPARTMENT OF HEALTH FOR STATE HEALTH IMPROVEMENT
PROGRAM (SHIP) IMPLEMENTATION GRANT

Recommendation:

Council authorization for the proper City officials to:

1. accept additional revenue of \$85,883 from the Minnesota Department of Health under Master Grant Agreement #26078 for the prevention of obesity and tobacco use through policy, systems and environmental change interventions in the community, worksites, healthcare, and school settings for a new total of \$2,735,883, and extend the termination date to September 30, 2011, and
2. increase both the revenue budget in fund/department 01600-8600130 (revenue code 321507) and the 2011 appropriation in fund/department 01600-8600130 by \$85,883.

Previous Directives:

Council approval on July 17, 2009 to accept initial SHIP funding.

Presenters in Committee: Patty Bowler, Director, Policy and Community Programs

Financial Impact (Check those that apply)

X Action requires an appropriation increase to the ____ Capital Budget or X Operating Budget.

X Action provides increased revenue for appropriation increase.

Background/Supporting Information:

The Department is requesting to accept additional revenue in State Health Improvement Program (SHIP) grant funding from the Minnesota Department of Health. SHIP funding was to terminate June 30 and has now been extended through September, 2011. Activities will continue in the areas of tobacco use prevention and physical activity and healthy eating, through policy, systems and environmental change interventions in the community, schools, workplaces, and healthcare settings.
