Policy review Group (PRG)	NA

### Financial Impact

Special Assessments against benefited properties

### Community Impact

Neighborhood Notification:  
Neighborhood Meetings: pre-public hearing meeting to be scheduled if needed  
City Goals: Maintain the physical infrastructure to ensure a healthy, vital and safe city  
Comprehensive Plan: Not Applicable  
Zoning Code: Not Applicable

**Background/Supporting Information:**

On February 15, 2008, the City Council approved the Asphalt Pavement Resurfacing Program. The purpose of this program is to extend the life of some city streets which are not scheduled for any preventative maintenance, renovation or reconstruction in the foreseeable future. This resurfacing program is targeting neighborhoods and MSA streets that are at a point in their life cycle where a new surface will extend the street's life and improve ride quality and neighborhood livability, and help slow the overall deterioration of our City street system.

The purpose of this letter is to designate the location, streets and improvements, and establish the special assessment improvement proceedings for street resurfacing.

The location of the street resurfacing project is 5<sup>th</sup> St South from 11<sup>th</sup> to 13<sup>th</sup> Av South. 5<sup>th</sup> St S at this location is MSA Route No 218. This project is to coordinate with the MNDOT project to resurface the 5<sup>th</sup> St exit ramp from I-94.

As provided in Chapter 10, Section 8 of the City Charter, submitted herewith is a list of parcels with owner's names, as nearly as can be readily ascertained, which would be benefited by and assessed for the 5<sup>th</sup> St South Resurfacing Project.

Also submitted is a cost estimate of \$183,600 for the 5<sup>th</sup> St South project.

The street resurfacing special assessments would be determined by applying the 2011 Uniform Assessment Rates to the land area of benefited parcels located within the street influence zone along the improved streets. The approved 2011 resurfacing assessment rates are as follows:

\$0.52 /sq ft – Non-Residential  
\$0.20/sq ft – Residential

Attachment 1 – Map

Cc: Council Member Lisa Goodman, Ward 7  
Jack Qvale, Secretary, Board of Estimate and Taxation

T&PW – Your Committee recommends passage and summary publication of the accompanying Resolution and its accompanying Committee Report designating the locations and streets to be improved in the 2011 Resurfacing Program, 5th Street South Resurfacing Project, Special Improvement of Existing Street No. 5225.

Colvin Roy  
2011 STREET RESURFACING PROGRAM

FIFTH ST SOUTH RESURFACING PROJECT  
SPECIAL IMPROVEMENT OF EXISTING STREET NO 5225

Designating the improvement of certain existing streets in the 2011 Street Resurfacing Program at the locations described hereinafter.

Resolved by the City Council of the City of Minneapolis:

That the following existing streets within the City of Minneapolis are hereby designated to be improved, pursuant to the provisions of Chapter 10, Section 8 of the Minneapolis City Charter, by asphalt mill and overlay and including other street resurfacing related improvements as needed.

Fifth St S from 11th Av S, including the 11th Av S intersection to 13th Av S

T&PW – Your committee, having received a cost estimate of \$183,600 for street resurfacing improvements and a list of benefited properties for certain locations in the 5th St South Resurfacing Project, Special Improvement of Existing Street No. 5225, as designated by Resolution 2011R-\_\_\_\_\_ passed May 13, 2011, now recommends that the City Engineer be directed to prepare a proposed Street Resurfacing Special Improvement Assessment against the list of benefited properties by applying the 2011 Uniform Assessment Rates as per Resolution 2011R-036, passed January 28, 2011.

Your Committee further recommends that the City Clerk be directed to give notice of public hearings to be held by the Transportation and Public Works Committee on July 12, 2011 in accordance with Chapter 10, Section 8 of the Minneapolis City Charter and Section 24.180 of the Minneapolis Code of Ordinances, to consider approving the resurfacing of the above designated street locations, and to consider the amount proposed to be assessed to each benefited property and the amount to be funded by the City.
