- Action requires use of contingency or reserves
- Other financial impact (Explain):
- Request provided to the Budget Office when provided to the Committee Coordinator

Background/Supporting Information

The Police Department requests permission to issue a Request for Proposal for a law enforcement training course which meets state licensing standards. The Department would like to conduct this training itself instead of relying on current pre-service training courses around the state. This training will allow the department to hire candidates with a diverse, non-law enforcement background, and immediately train to our policies and procedures. The RFP has been submitted for review by the PRC.
