CEAC appointments are for two years. Of the 13 members requesting reappointment, 5 have served over 6 years; 8 have served one term. This is a good group that has participated in the City's sustainability initiative and was instrumental in creating Groundwork Minneapolis which is helping the City with a variety of Greening Initiatives in the City.

Note: Three positions remain open: 2 under business representative (Mayorial appointment) and one under environmental advocacy (City Council appointment)
