## **MEMORANDUM**

TO: Heritage Preservation Commission

DATE: November 18, 2008  
RE: Informational Item: Demolition Update: October 2008

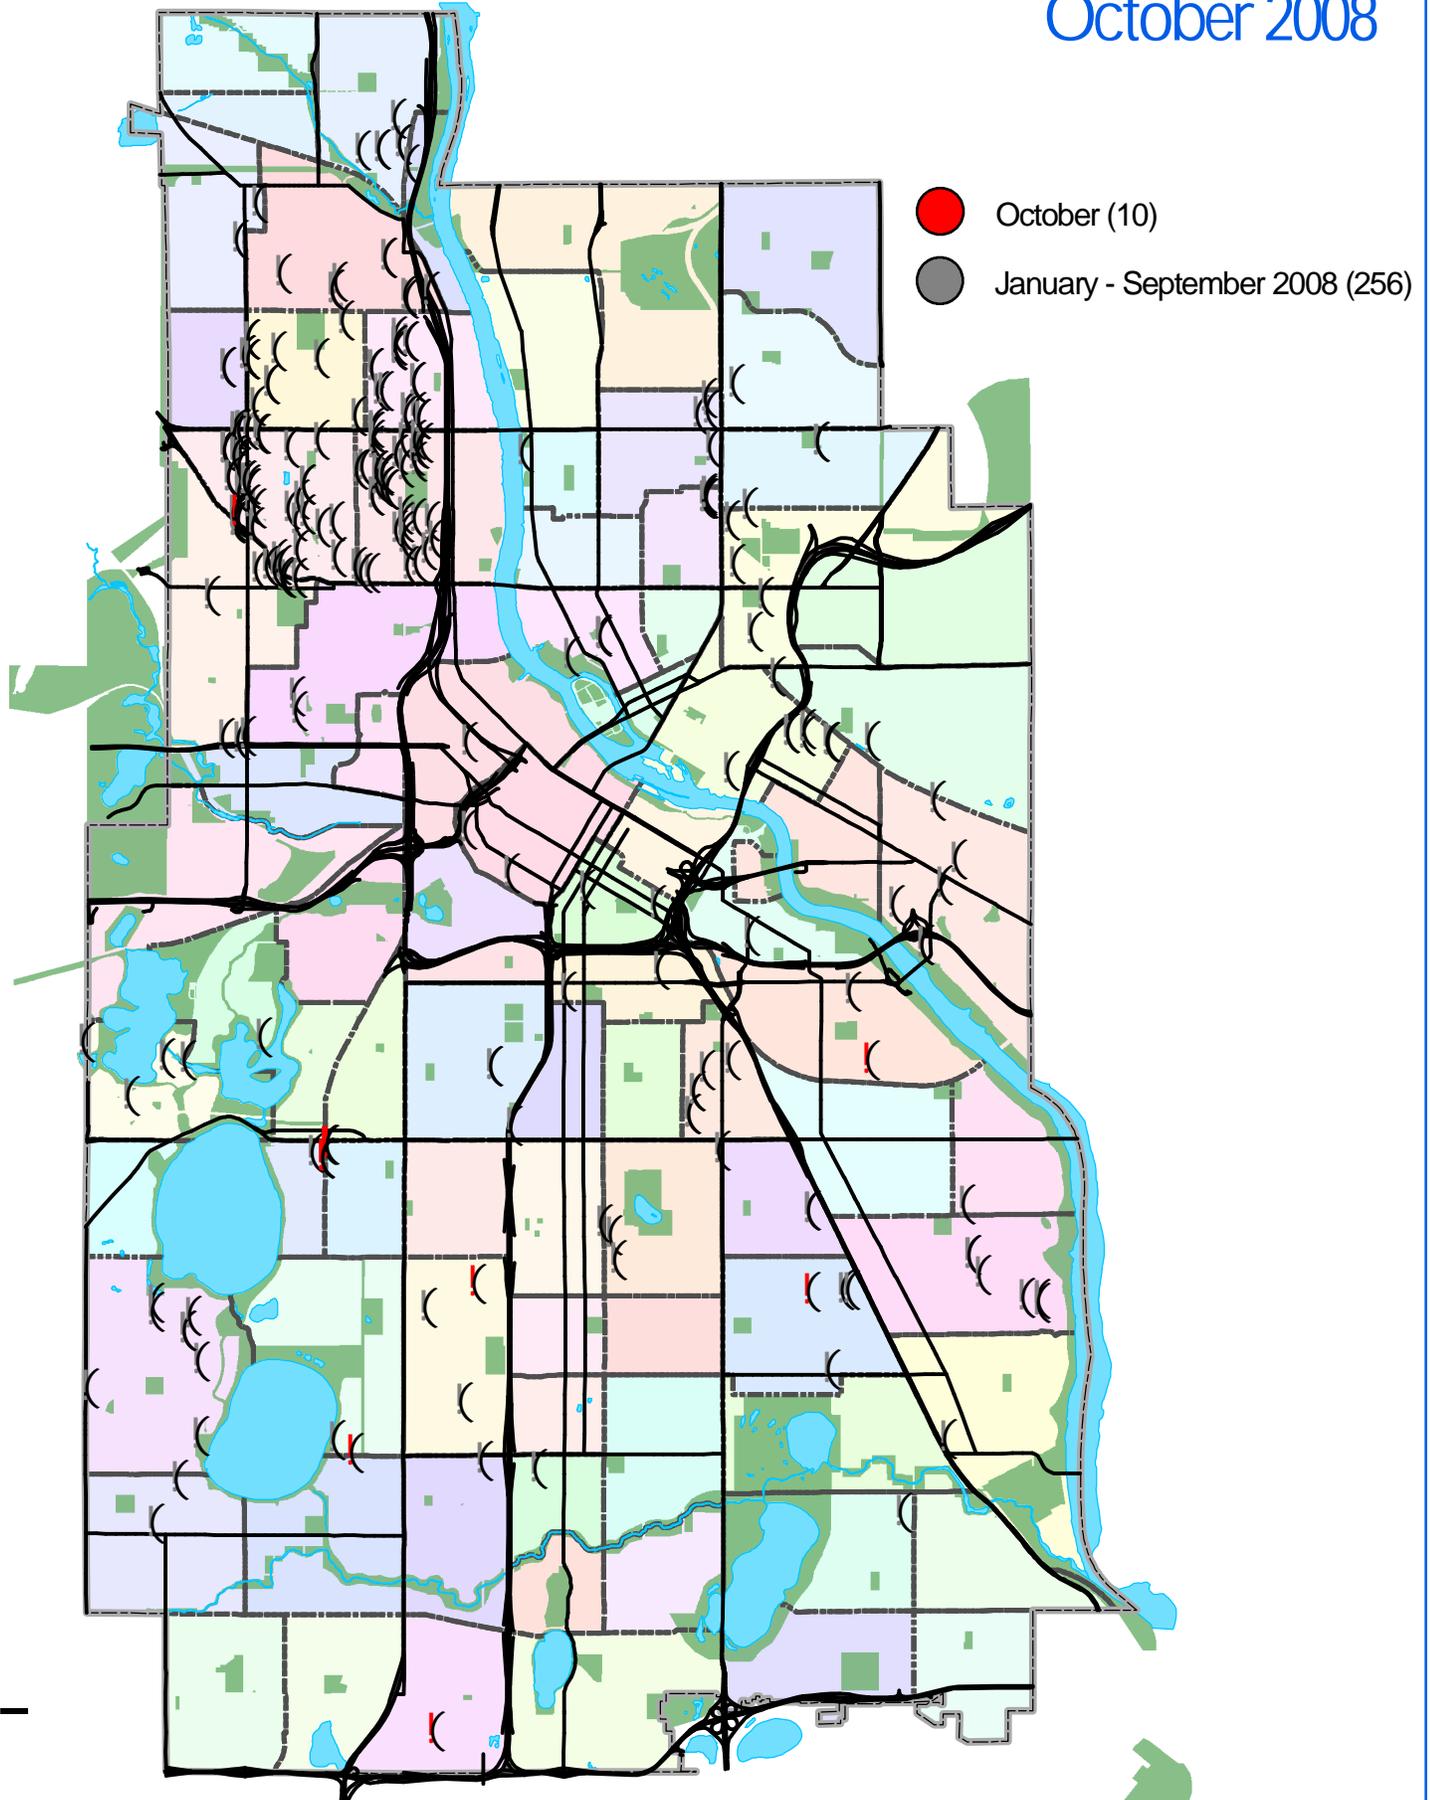

---

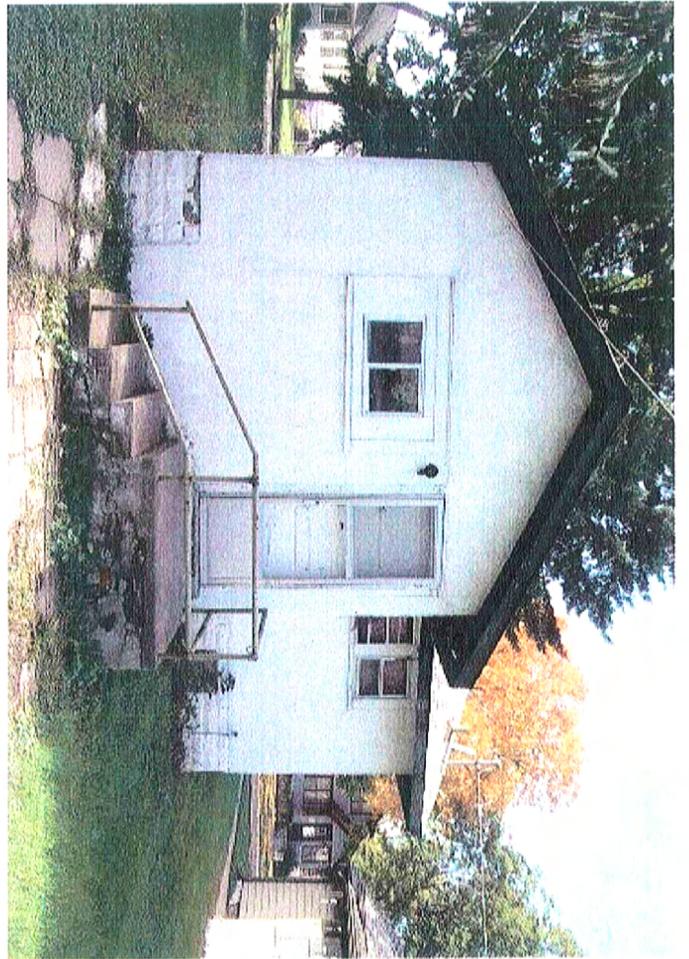

Ten properties were reviewed and approved for demolition in October. These ten properties bring the total for 2008 up to 266 properties that have been reviewed and approved for demolition.

Section 599.460 of the Minneapolis Code of Ordinances directs CPED staff to review all applications for wrecking permits to determine if the subject property is an historic resource. In the past year, CPED Preservation & Design staff has brought a handful of properties before the Heritage Preservation Commission for the demolition of an historic resource. These properties represent a small fraction of the properties staff reviews for demolition.
