

**Minneapolis Employment & Training Program
Older Youth Work Readiness Pre-Assessment**

Participant _____

In order for an older youth to be considered in presumptive need of Work Readiness training, he or she must respond positively to at least two or more of the Indicators below.

INDICATORS:

_____ **The participant has not worked full-time for at least 90 calendar days with one employer, excluding government-funded programs**

_____ **The participant can not provide a written recommendation from a previous employer**

_____ **The participant has been fired from at least one job.**

_____ **The participant has had more than one employer within the last 3 months**

_____ **The participant exhibits poor interpersonal relations, appearance and or behavior**

_____ **The participant has never found employment that provides benefits**

_____ **Other, as deemed pertinent to the individual (please describe)** _____

Two affirmations indicate that the youth is in need of assistance in the area of work maturity training.

I certify that the above information is accurate and represents my determination that the participant lacks competency in work readiness.
