STEP-UP 2012
Job Pledge Form

STEP-UP recruits, trains and places motivated Minneapolis youth ages 14-21, in meaningful, paid summer jobs. STEP-UP is part of Mayor Rybak's *Minneapolis Promise* to prepare Minneapolis youth to succeed and keep Minnesota competitive in the global economy.

Employers from the business community are recruited to provide quality summer work experiences for youth. If your business would like to provide a summer job for youth, complete this form, providing as much information as possible about the position or positions available. **Nonprofits, educational and government organizations are eligible to have the wages for their interns paid by the STEP-UP program.** Funding for STEP-UP wage subsidies is limited and selection of subsidized internships is competitive. Not all organizations are guaranteed to be matched with an intern.

After you have completed the Pledge Form, you will be contacted by a STEP-UP staff to discuss your position(s) available and provide additional information. Thanks for your support of STEP-UP!

I would like to employ _____ STEP-UP Interns this summer. ***(Please enter a number.)***

Has your company ever previously employed a STEP-UP intern? Yes ☐ No ☐
