Hi Chuck,

These are definitely approximate in most cases and are from the 2010 season. With the roof collapse impacting the number of events in 2011, 2010 is more indicative of a typical season.

Twins Fest	34,650
U of M BB	15,600
Other Events	200,100 (Monster Jam, MSHSL, Running, Rollerdomo and other misc. events)
Amateur	16,000 (high school baseball, youth football etc.)
Total	266,350

Let me know if you need any other information.
