This is a review of the proposed sale of CPED-owned property—which was the subject of an early review process. The early review process states the proposed use of the property upon purchase on a worksheet. The worksheet is routed to staff who comment on the conformance of the proposed land purchase to the city’s comprehensive plans, any relevant area plans, and the city’s zoning requirements. The worksheet analysis for the subject property is attached.

Findings:

The sale of this property as proposed is **consistent** with the City’s Comprehensive Plan.
