HERITAGE PRESERVATION FILES AND INVENTORY

Community Planning and Economic Development (CPED) is located in room #300 of the Public Service Center Building, 250 South 4th Street, and retains Landmark nominations and survey forms for properties in the city as well as inventory files for designated districts and other potentially historic properties. Some of these materials are in survey form and typically contain brief descriptions of the resource or building, an approximate date of construction, a statement of significance, and a photograph. For locally designated properties, CPED maintains records on applications that have gone before the HPC for approval, as well as minutes from HPC meetings. There is also a collection of books maintained on the history of Minneapolis.

RESEARCH AND CONTACTS

Survey and research information is available to the public during normal business hours. Those interested in researching any potential or known historic resource are encouraged to call for an appointment with CPED staff to discuss their specific needs or to view the HPC collection.

For more information or to schedule an appointment, contact HPC Committee Clerk Fatimat Porter, 612.673.3153 or Fatimat.Porter@minneapolismn.gov.

CLG GRANT

The City of Minneapolis was very pleased to have its FY 2014 \$14,978 certified local government grant application fully funded. With matching funds from the City of Minneapolis, the grant funded the completion of four designation studies and design guidelines of properties significant for their association with streetcar-related development. The Thomas Lowry Memorial at 2330 Hennepin Avenue South, the Camden Park State Bank at 705 42nd Avenue North, and the North Side Station at 2418 Washington Avenue North were all designated as local landmarks in 2015. The grant also funded the designation of the Lowry Hill East Residential Historic District. Being under budget, the City of Minneapolis used remaining funds to prepare a designation study and design guidelines for the Golden Valley Road Apartments Historic District. Contact John Smoley at 612.673.2830 or John.Smoley@minneapolismn.gov with questions.

NATIONAL REGISTER OF HISTORIC PLACES NOMINATIONS

The HPC commented favorably on the following NRHP nominations:

PROSPECT PARK RESIDENTIAL HISTORIC DISTRICT

THE DISTRICT IS ROUGHLY BOUNDED BY UNIVERSITY AND WILLIAMS AVENUES SOUTHEAST, EMERALD STREET SOUTHEAST AND INTERSTATE 94.

This district is significant under Criterion A and Criterion C as a unique Minneapolis neighborhood and as a representation of the pattern of development as the city matured in the nineteenth and twentieth centuries. The neighborhood's platting

was influenced by the picturesque movement in landscape design. Within this setting, the community was shaped by its unusual topography, its progressive residents, and the related organizations. The result was a closely knit neighborhood with modern amenities and a diverse housing stock reflecting a spectrum of styles in vogue between 1884 and 1968.

STRUTWEAR KNITTING COMPANY BUILDING

1010 7TH STREET SOUTH

This property is significant under Criterion A for its representation of one of the most important labor victories in city history: the 1935 to 1936 Strutwear employee strike. Workers prevailed against not only company officials but also against the Minneapolis Citizens Alliance, a powerful anti-labor business

association. The victory was most beneficial for Strutwear's nearly 900 female employees, whose efforts caused the American Federation of Hosiery Workers to admit female members

If CPED staff determines that the property is a historic resource, the demolition requires approval by the HPC.
