# City of Minneapolis 2016 Budget Background Information

## Community Profile

Minneapolis combines the Dakota word for water ("minne") with the Greek word for city ("polis"), a fitting name for the City with 22 of Minnesota's 12,034 lakes. Minneapolis is renowned for combining the best of urban life with the neighborhoods and quality of life found in smaller towns. Residents enjoy exciting cultural and recreational opportunities in beautiful natural surroundings.

### History

In the 1820s, soldiers from Fort Snelling constructed a sawmill at the confluence of the Minnesota and Mississippi rivers and a flour mill at St. Anthony Falls. By the 1850s, the village of St. Anthony had been established on the east bank of the Mississippi and the village of Minneapolis on the west bank. The two towns were soon linked by a suspension bridge. Minneapolis' first volunteer fire company was organized in 1862, and the community was incorporated as a city in 1867. In 1872, Minneapolis and St. Anthony were united to form one city.

### Location

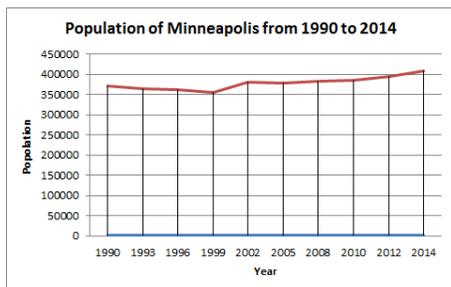

Minneapolis is the largest city in Minnesota and the center of finance, industry, trade and transportation for the Upper Midwest. At 44.58 degrees north latitude and 93.15 degrees west longitude, Minneapolis is 59 square miles (153 square kilometers), including 3.6 square miles (9.4 square kilometers) of inland water. It drapes along the banks of the nation's largest river, the Mississippi.

### Climate

Minneapolis has an average summer temperature of 70 degrees F and an average winter temperature of 16 degrees F<sup>1</sup>. Minneapolis has four distinct seasons, with moderate spring and fall weather. Summer is comfortable because lakes and trees serve as natural air conditioners.

### Population

According to 2014 census data<sup>8</sup>, Minneapolis is home to an estimated 407,000 people. Males and females each make up approximately 50 percent of the population. Children and youths under 18 and seniors aged 65 and above make up 20 percent and 8 percent of the population respectively. African-Americans comprise 19 percent of the population, and Hispanics make up 11 percent of the population. People of American Indian and Alaska Native descent comprise 2 percent of the population, and people of Asian

ethnicity make up 6 percent of the population. People of another race and those of two or more races make up 4 percent of the population.<sup>2</sup>

### Economy

In the early years, Minneapolis' economy was based on a booming lumber industry and the processing of Minnesota grain with the tremendous power-generating capabilities of St. Anthony Falls. Large flour mills along the river evolved into the international corporations of Pillsbury, Washburn Crosby (General Mills) and Cargill. In 2015, the largest Fortune 500 companies headquartered in the metro area are as follows<sup>9</sup>:

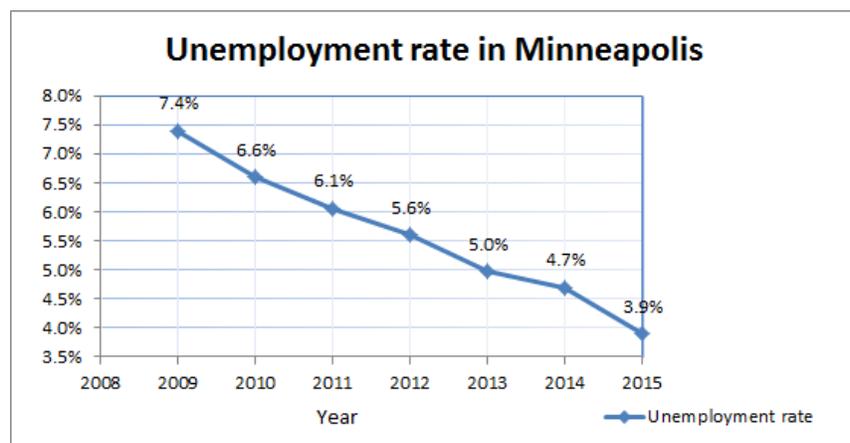

Company Name	Fortune 500 Ranking	Revenues \$ billions
United Health Group	14	130.5
Target Corporation	36	72.6
Best Buy	72	41.9
Supervalu	164	17.8
CHS	69	42.7
3M	98	31.8
US Bancorp	138	21.4
General Mills	171	17.6
Land O' Lakes	203	15.0

As of the third quarter of 2012, the city's largest employment sectors were health care and social assistance (17 percent), professional and technical assistance (10 percent), educational service (9.6 percent), finance and insurance (9.5 percent), and accommodation and food service (8 percent). The fastest growing employment sectors from the first quarter of 2011 to the first quarter of 2012 were real estate and rental and leasing, administrative and waste services, and accommodation and food services<sup>3</sup>. With 21 accredited colleges and universities in the Minneapolis-Saint Paul area and four ABA-accredited law schools, the city's highly educated workforce continues to be a driving force of a strong economy. The University of Minnesota's highly acclaimed medical school and the City's seven hospitals have made Minneapolis a leader in the medical field.

Since 2009, the city's unemployment rate has been falling

## Neighborhoods

Minneapolis has 81 residential neighborhoods offering 177,309 residential housing units<sup>5</sup>. The city is well known for its concerned and active residents who have engaged in partnerships with government and business to improve neighborhoods and create economic opportunities. The city shares the nation's current challenge to increase the number of affordable housing units and preserve housing stock in the face of foreclosures.

## Downtown

Minneapolis downtown is home to many corporate headquarters and hotels. Hennepin Avenue has a concentration of theaters and entertainment. Nicollet Mall is the center of downtown. The area has a concentration of retail and office buildings along the street. Buildings in downtown Minneapolis are connected by a system of glass-enclosed bridges, the skyways, which help to keep activity moving during the cold Minneapolis winters<sup>10</sup>.

## The arts

Minneapolis is second only to New York City in per capita attendance at theater and arts events. Minneapolis has more than 30 theaters. The Guthrie Theater and the Children's Theatre Company are recognized as two of the country's best. In June of 2006, the Guthrie Theater celebrated the opening of its \$125 million theater on the banks of the Mississippi River on the northeastern edge of downtown. The City also boasts two world-class art museums, the Minneapolis Institute of Art and the Walker Art Center, and is home to the internationally acclaimed Minnesota Orchestra. Neighborhood arts activities including festivals, galleries and events play a growing role in resident art participation.

## Education

The Washington Avenue Bridge crosses the Mississippi River and connects the University's East Bank and West Bank

The city offers several vocational training and specialty schools. The main campus of the University of Minnesota sits on the banks of the Mississippi just minutes from downtown. It is a major land-grant research institution with a long tradition of community and public service, and it ranks among the top 20 universities in the U.S. It is also one of the largest. In addition to the University of Minnesota, other institutions of higher education include Minneapolis Community and Technical College, Dunwoody Institute, Minneapolis College of Art and Design, Augsburg College, Metropolitan State University, the University of Saint Thomas, St. Mary's University, the College of Saint Catherine and Capella University.

## Sports and outdoor recreation

Many major league teams call Minnesota home. Fans can watch Major League Baseball's Minnesota Twins in action at Target Field, located in the Warehouse District of downtown Minneapolis. The new Vikings stadium will have a sitting capacity of 65,000 football fans (expandable to 73,000). The Minnesota Timberwolves of the National Basketball Association and the national champion Minnesota Lynx of the Women's National Basketball Association play downtown in Target Center. Minnesota's National Hockey League team, the Wild, play in Saint Paul. Minneapolis has the capacity to host large events at the City's convention center.

Minneapolis residents not only watch sports, they also participate actively. Playing in summer softball leagues, golfing, jogging, swimming, playing tennis, biking, in-line skating, and sailing in the city's lakes are favorite pastimes.

The city's Park and Recreation Board maintains 87 miles of walking and biking paths. The Park Board also maintains sports fields, outdoor ice rinks, tennis courts, golf courses and supervised beaches. In the winter, residents enjoy ice skating, ice fishing, skiing and ice sailing. Early in Minneapolis' development, the land around five large lakes was dedicated to the public as parkland. With one acre of parkland for every 60 residents, outdoor recreation is an important part of life, and it is estimated that a City park is no more than eight blocks from every home.

## Form of Government

---

The City is a municipal corporation governed by a Mayor–Council form of government. It was incorporated in 1867 and adopted a Charter on November 2, 1920. Thirteen City Council Members from individual wards and the Mayor are elected for terms of four years. There is no term limit on these positions. The Mayor and City Council are jointly responsible for the adoption of the annual budget and a five-year capital improvement program. As required by Charter, the Mayor is responsible for preparing an annual operating and capital budget recommendation for the City Council's consideration. The Mayor has veto power, which the Council may override with a vote of nine members.

The City Finance Officer is charged with maintaining and supervising the various accounts and funds of the City as well as several boards and commissions. In addition, the city budget director is charged with assisting the Mayor, City Council and City departments in preparing the City's annual capital and operating budget. The City Finance Officer reports to the City Coordinator, who is appointed by the Mayor and serves as chief administrative officer of the City.

This annual budget report for the City includes organizations for which the primary government is financially accountable and for which the nature and significance of their relationships with the primary government are such that exclusion could cause the City's budget report to be misleading or incomplete. Below is a summary of the organizations reflected in the City's annual budget report, in addition to the primary government.

### **Blended component units**

The following component units have been presented as blended component units because the component unit's governing body is substantially the same as the governing body of the City, or the component unit provides services almost entirely to the primary government.

- ◆ **Board of Estimate and Taxation.** The Board of Estimate and Taxation (BET) is established under Chapter 15 of the City Charter. It is composed of seven members, two of whom are elected by voters of the City. The Mayor or the Mayor's appointee, the President of the City Council and the Chair of the City Council's Ways and Means/Budget Committee are ex-officio members of the Board. The Minneapolis Park and Recreation Board annually selects one of its members to serve on the BET. By action of the City Council, or such other governing board of a department requesting the sale of bonds, the BET may vote to incur indebtedness and issue and sell bonds and pledge the full faith and credit of the City for payment of principal and interest. The BET also establishes the maximum property tax levies for most City funds.

### **Discretely presented component units**

The following organization is legally separate from the City, but is included in the City's annual budget report and annual financial reports because the primary government is financially accountable.

- ◆ **Minneapolis Park and Recreation Board.** The Minneapolis Park and Recreation Board was established according to Chapter 16 of the City Charter. The nine-member board is

elected by the voters of the City and is responsible for developing and maintaining parkland and parkways, as well as planting and maintaining the City's boulevard trees. The Mayor recommends the tax levies and budget for the Park Board, and the City Council and Mayor approve the allocations of local government aid from the state for Park Board operations. All Park Board actions are submitted to the Mayor, and a mayoral veto may be overridden by a vote of two-thirds of the members of the Park Board. The Board of Estimate and Taxation approves the maximum property tax levy for the Park Board, and the full faith and credit of the City secure debt issued for Park Board projects. The City Finance Officer acts as Treasurer of the Park Board.

- ◆ **Municipal Building Commission.** The Municipal Building Commission (MBC) is an organization established January 4, 1904, by the State of Minnesota, to operate and maintain the Minneapolis City Hall/Hennepin County Court House Building, which was built pursuant to Chapter 395 of the Special Laws of 1887. The four commissioners are the Chairman of the Hennepin County Board of Commissioners, the Mayor of the City of Minneapolis, an appointee of the Hennepin County Board and an appointee of the Minneapolis City Council. The Mayor recommends the tax levy and budget for the City's share of the MBC's operations, and the City Council and Mayor approve the allocation of state local governmental aid to the MBC.
- ◆ **Meet Minneapolis.** Greater Minneapolis Convention and Visitors Association was incorporated on July 29, 1987. Greater Minneapolis Convention and Visitors Association (d.b.a. Meet Minneapolis) and its subsidiary, Internet Destination Sales System, Inc. (hereinafter collectively the "Association") comprise the reposting entity for Meet Minneapolis. The Association was organized to promote the City of Minneapolis (the City) as a major destination for conventions and visitor travel, and to achieve maximum utilization of the Minneapolis Convention Center. Toward this purpose, the Association receives funding through annual contracts with the City and the state of Minnesota. The Association is a nonprofit corporation under Section 501 (c) (6) of the Internal Revenue Code. Management also has no operational responsibility over Meet Minneapolis. It is this criterion that results in Meet Minneapolis being reported as a discretely presented component unit. Complete financial statements for Meet Minneapolis and Subsidiary can be obtained from Meet Minneapolis at 250 Marquette Avenue South, Suite 1300, Minneapolis, Minnesota 55401.

### Related organizations

The City's officials are also responsible for appointing members of the boards of other organizations, but the City's accountability for these organizations does not extend beyond making the appointments. The financial information for these organizations is not included in detail in this report.

- ◆ **Metropolitan Sports Facilities Authority.** On May 14, 2012 Governor Mark Dayton signed into law a stadium bill which provides for construction and operation of a new National Football League stadium to be located on the Metrodome site. The bill established a new Minnesota Sports Facilities Authority (MSFA) and required that members be appointed within 30 days, the bill also required the Metropolitan Sports Facilities Commission (MSFC) transfer its assets, liabilities, and obligations to the MSFA within 90 days and then abolish the MFSC. The City is obligated to provide funding to build and maintain the new stadium. The MSFA is charged with the design, construction and operation of the new multi-purpose stadium. The MSFA consists of five members. Three

authority members, including the chair, are appointed by the governor. Two authority members are appointed by the City of Minneapolis. Complete financial statements for the MFSA can be obtained from the Minnesota Sports Facilities Authority at 900 South Fifth Street, Minneapolis, Minnesota, 55415-1903.

- ◆ **Minneapolis Public Housing Authority.** The Minneapolis Public Housing Authority (MPHA) is the public agency responsible for administering public housing and Section 8 rental assistance programs for eligible individuals and families in Minneapolis. A nine-member Board of Commissioners governs MPHA. The Mayor of Minneapolis appoints the Board Chairperson, and four Commissioners (one of whom must be a public housing family- development resident) are appointed by the City Council. The mission of the MPHA is to provide well-managed, high-quality housing for eligible families and individuals; to increase the supply of affordable rental housing; and to assist public housing residents in realizing goals of economic independence and self-sufficiency.
- ◆ **Minneapolis Telecommunications Network.** The Minneapolis Telecommunications Network (MTN) is a non-profit corporation organized by the City in 1983 under Minnesota Statutes, Chapter 317. Minneapolis Telecommunications Network provides public access media programming to residents of the City as well as providing media production training. Support for MTN comes from Public, Education, and Government (PEG) fees collected as part of agreements between the City and cable service providers. These agreements require cable companies to provide support for public, educational, and government access TV channels. The City Council and Mayor appoint the nine members of the board. There are up to three ex-officio members representing the City of Minneapolis, Comcast Cable, and the Minneapolis Public Schools. Complete financial statements for the MTN can be obtained from the Minneapolis Telecommunications Network at 1620 Central Avenue Suite 175, Minneapolis, Minnesota, 55413-1674.

### Joint ventures

The City is a participant in several joint ventures in which it retains an ongoing financial interest or an ongoing financial responsibility. Two of these joint ventures are reflected in the annual budget report for the City: Minneapolis Neighborhood Revitalization Board and Minneapolis Youth Coordinating Board.

- ◆ **Minneapolis/Saint Paul Housing Finance Board.** The Minneapolis/Saint Paul Housing Finance Board was established in the early 1980s, in accordance with a Joint Powers Agreement entered into between the Housing and Redevelopment Authority of the City of Saint Paul and the Community Planning and Economic Development Department, and accepted by the Cities of Minneapolis and Saint Paul under Minnesota law. The Community Planning and Economic Development Department's oversight responsibility of the Board is limited to its governing body's ability to appoint only three of the six members of the Board. The territorial jurisdiction of the Board extends beyond the corporate limits of the City of Minneapolis.
- ◆ **Minneapolis Youth Coordinating Board.** The Minneapolis Youth Coordinating Board (YCB) was established in the mid-1980s, in accordance with a Joint Powers Agreement entered into between the Hennepin County Board of Commissioners, the Board of Directors of Special School District No. 1, the Park Board, the Mayor and the City Council under authority of State of Minnesota laws. The Board consists of 10 members as follows: the Mayor of the City of Minneapolis, two Hennepin County Commissioners, the

Hennepin County Attorney, two Minneapolis School Board members, two Minneapolis City Council members, a Hennepin County District Court Judge, and one member from the Minneapolis Park and Recreation Board.

- ◆ ***Minneapolis-Duluth/Superior Passenger Rail Alliance.*** The Minneapolis Duluth/Superior Passenger Rail Alliance was established under a joint powers agreement between Anoka County, Hennepin County, Isanti County, Pine County, St. Louis and Lakes Counties Regional Railroad Authority, City of Duluth, City of Minneapolis, and Douglas County (Wisconsin) to explore options for the development of rail transportation between the Twin Cities and Duluth Superior metropolitan areas. The nine member board consists of one elected official selected by each party in the Alliance as well as a member of the Mille Lacs Band of Ojibwe. Each party also appoints an alternate member. The City of Minneapolis pays an annual membership fee to the Alliance to cover the costs of activities. The percentage share of the City in the Alliance's assets, liabilities, and equity cannot be determined at fiscal year-end. St. Louis and Lake Counties Regional Railroad Authority serves as the fiscal agent.

Background Information**

**Fund Descriptions**

---

The accounts of the City are organized by fund types. A “fund” is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The operations of each fund are monitored with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equities, revenues and expenditures/expenses. Following is a listing and description of all City funds.

**General Fund.** The General Fund is the general operating fund of the City. It is used to account for all financial resources except those that are required to be accounted for in another fund.

**Special Revenue Funds.** Special revenue funds are used to account for the proceeds of revenue sources that are restricted by legal and regulatory provisions to finance specific activities. The City has thirty-four Special Revenue Funds, including community and economic development funds. These funds are used to account for the City’s planning and community development goals, most of which are financed through property tax increment financing. Major special revenue funds are described below:

**Arena Reserve Fund.** This fund is a holding fund for various finance plan revenues to be used for future costs relating to the acquisition and capital maintenance of the downtown sports, entertainment and health complex.

**Board of Estimate and Taxation Fund.** This fund is used to account for the operations of the Board of Estimate and Taxation which issues and sells bonds, and establishes the maximum levies for the City, its boards and commissions.

**Community Development Block Grant.** This fund is used to account for the federal grants received under the Federal Community Development Block Grant provisions.

**Convention Center.** This fund is used to account for the ownership, maintenance, and operation of the Minneapolis Convention Center.

**Convention Facilities Reserve.** This fund is a holding fund for parking and sales tax revenues to be used for future capital maintenance needs of the existing Convention Center.

**Employee Retirement.** This fund is used to account for the tax levy proceeds and other sources of revenue for the Minneapolis Employee Retirement Fund (MERF), Minneapolis Firefighters’ Relief Association (MFRA), and Minneapolis Police Relief Association (MPRA) retirement programs for some city employees.

**Grants – Federal.** This fund is used to account for all federal grants, except for the Community Development Block Grant (CDBG), which is accounted for in a separate fund.

**Grants – Other.** This fund is used to account for grants received from the State of Minnesota, Hennepin County, local government units, and private funds.

**Municipal Building Commission.** This fund is used to account for the cost of operating and maintaining the City Hall/County Court House building.

**Police Special Revenue.** This fund is used to account for the revenues and expenditures related to federal and state administrative forfeitures and the revenues and expenditures related to the regulation of lawful gambling in the City.

**Park Operating Fund.** This fund is used to account for revenue and expenditures related to the cost of operating and maintaining the Minneapolis Parks system.

**Internal Service Funds.** Internal Service Funds are used to account for those City goods and services which are provided by one department or agency to other departments or agencies of the City, or to other governments, on a cost reimbursement basis. The City operates six Internal Service Funds for its operations; the Park Self-Insurance and Internal Service Funds are reflected in the MPRB budget:

**Engineering Materials and Supplies.** This fund is used to account for the operations of the City's paving products laboratory. The paving products laboratory provides in-lab and on-site testing and soil boring services to ensure quality control of asphalt and soils for projects.

**Intergovernmental Services.** This fund is used to account for information technology services, central mailing and printing services, and the City's telecommunication operations. These services are provided to City departments as well as the Park Board, Municipal Building Commission, and Youth Coordinating Board.

**Property Services.** This fund is used to account for the physical management and maintenance of fire stations, police precinct buildings, the Minneapolis Public Service Center, and various other City office locations, except for the City Hall/County courthouse building, which is accounted for in the Municipal Building Commission Special Revenue Fund.

**Equipment Services.** This fund is used to account for the ownership and operation of radio communications equipment and a fleet of motorized equipment and vehicles. The fund operates as a rental agent to various departments to support the construction and maintenance of city infrastructure, fire protection services, and police services.

**Public Works Stores.** This fund is used to account for the centralized procurement, warehousing, and distribution of stocked inventory items, as well as the purchase of special goods and services.

**Self-Insurance.** This fund is used to account for employee benefit program and administrative costs. The fund also accounts for occupational health services, severance payments to employees who have retired or resigned and who meet minimum eligibility requirements, a tort liability program, and a workers' compensation program.

**Park Self-Insurance and Internal Service Funds.** The Self-Insurance fund is used to account for park employees' medical, dental, and life insurance benefit programs and the programs' administrative costs. The fund also accounts for occupational health services, severance payments to employees who have retired or resigned and who meet minimum eligibility requirements, a tort liability program, and a workers' compensation program. The Park Board also has an internal service fund for charges within its programs.

**Enterprise Funds.** The Enterprise Funds, like the Internal Service Funds, are used to account for those activities of the City which are financed and operated in a manner similar to private business enterprises where expenses, including depreciation, are recovered principally through user charges. However, the customer is typically the general public or other customers external to the City. The City operates eight enterprise funds. The first five funds listed are reflected in the City's Public Works Department, the River Terminal Fund is reflected in the Community Planning and Economic Development (CPED) department and the Parks Operations Fund is incorporated into the Minneapolis Parks and Recreation Board (MPRB) budget.:

**Water Works Fund.** This fund is used to account for the operation, maintenance and construction projects related to the water delivery system. This fund also accounts for the operations related to the billings for water, sewage and solid waste fees.

**Sanitary Sewer Fund.** This fund is used to account for the operation, maintenance and construction projects related to the sanitary sewer system.

**Stormwater Fund.** This fund is used to account for the operation, maintenance and construction projects related to the stormwater utility system as well as the City's street cleaning operation.

**Solid Waste and Recycling Fund.** This fund is used to account for the revenues and expenses for solid waste collection, disposal and recycling activities.

**Municipal Parking Fund.** This fund is used to account for the operation, maintenance and construction of the City's parking facilities as well as on-street parking and the Municipal Impound Lot.

**River Terminal.** This fund is used to account for the operations of the public terminal facility located on the Mississippi River.

**Park Operations Fund.** This fund is used to account for operation, maintenance and construction of projects related to the Park Board, especially golf courses.

**Capital Projects Funds.** The Capital Projects Funds are used to account for financial resources and expenditures applied to the construction of capital facilities and major purchased items for governmental fund types. Sub-funds may be used to account for specific projects and aggregated for reporting purposes.

**Permanent Improvement Capital Fund.** This fund is used to account for capital acquisition, construction, and improvement projects including bridge construction, sidewalk construction, street construction, energy conservation projects, infrastructure projects, and many Information Technology (IT) projects.

**Community Planning and Economic Development.** This fund is used to account for the capital project activities of the department of Community Planning and Economic Development.

**Municipal Building Commission (MBC) Capital Fund.** This fund is used to account for the capital project activities of the MBC, a component unit of the City of Minneapolis.

**Park Board Permanent Improvement Capital Fund.** This fund is used to account for the capital project activities of the Park Board.

**Debt Service Funds.** The Debt Service Funds are used to account for the accumulation of resources for the payment of principal, interest, and related costs on long-term debt obligations. Included in the Debt Service Funds are:

**Community Development Agency Fund.** This fund is used to account for the debt service activity for the department of Community Planning and Economic Development, including debt service on various non-general obligation tax increment revenue bonds.

**Development Debt Service Fund.** This fund is used to account for the debt of several projects supported by property tax increments including the Target Center Arena and transfers of sales tax revenues from the Convention Center Special Revenue Fund for related debt.

**General Debt Service Fund.** This fund is used to account for debt service activity related to General Obligation governmental debt supported by property tax levies or transfers to/from other City funds. Bonds and notes paid within this fund are related to general infrastructure projects, the library referendum and a Section 108 HUD note for the Midtown Exchange.

**Special Assessment Debt Service Funds.** This series of funds are used to account for debt supported by special assessments.
