**ADDENDUM NUMBER 1**  
January 15, 2016

AMENDMENTS TO THIS BIDDING DOCUMENT ARE AS FOLLOWS:

Delete Section 2. Item C, section 12 on page 5, and insert the following:

**The contractor is responsible for watering and maintenance of the sod for the 30 days after it is placed. The contractor shall contact the City of Minneapolis, Paving Construction Section 48 hours in advance to obtain a water hydrant adapter and meter. The Contractor shall provide the location of the water hydrant to be used, will meet with the City Water Representative and provide any appropriate locking devices, if needed. The City of Minneapolis will provide the cost of this device and the cost for water used specifically for this contract.**

Any additional costs for this meter; such as vandalism or damage will be deducted against the contractor's invoices. Any other work involved in watering or maintenance of the sod is considered incidental to this contract and no additional compensation will be made.
