AN AFFIRMATIVE ACTION EMPLOYER

ADDENDUM NO. 2 “BIDS FOR YARD WASTE BIN STICKERS”

Clarification is needed for the type of adhesive backing required for the stickers. In our specs we called for: **“3M 3690 White Backing (aggressive adhesive for poly)”**

3M 3690 is NOT required. When brand names or manufacturers’ numbers are stated in the specifications, they are intended to establish a standard only and are not restrictive. Responses will be considered on other makes, models, or brands having comparable quality, style, and performance characteristics.
