## TERMS OF PURCHASE

1. **Definitions:** The term "Purchaser" means the City of Minneapolis and the several departments and boards of the City, and the term "Seller" means the person, firm or corporation from whom the merchandise or service has been ordered.
2. **Taxes:** Visit the MN Department of Revenue website, Sales Tax Fact Sheet 176, for tax updates for Local Governments – Cities, Counties and Townships - <http://www.revenue.state.mn.us/businesses/sut/factsheets/FS176.pdf>
3. **Contract:** Vendor's copy of Purchase Order and/or contract when properly signed, is the only form which will be recognized by Purchaser as authority for charging merchandise to its account, supersedes all previous communications and negotiations, and constitutes the entire agreement between the parties. No terms stated by Seller in accepting or acknowledging an order shall be binding upon Purchaser unless accepted in writing by Purchaser. Seller may not assign order without Purchaser's prior written consent. No waiver of a breach of any provision of order shall constitute a waiver of any other breach of such provision or of any other provision. Time is of the essence on order.
4. **Quantity:** The quantity of merchandise delivered shall not be greater than the amount specified unless an additional amount is first ordered by Purchaser in writing on its "Purchase Order Change" form. Purchaser may return quantities in excess of amounts specified to Seller at Seller's expense.
5. **Shipment:** A notice of shipment shall be sent to Purchaser at the time of shipment which shall state the number of the order, the kind and amount of merchandise, and the route by which the shipment is being made. All merchandise shall be suitably packed, marked, and shipped in accordance with shipping instructions specified herein and the requirements of common carriers in a manner to secure the lowest transportation cost. Seller shall be liable for any difference in freight charges arising from its failure to (a) follow the shipping instructions specified herein or (b) properly describe the shipment. Purchasers and Seller mutually agree to assist each other in obtaining documents and other information necessary for the prosecution of claims against carriers.
6. **Invoices:** Invoice must show the name of the division to which the merchandise was delivered or shipped. If any sales, use, duty, excise or other similar tax or charge, for which Purchaser has not furnished or agreed to furnish an exemption certificate, is applicable to order, it must be stated separately on the invoice.
7. **Responsibility:** Seller shall be responsible for any and all loss or damage to the merchandise until delivered to Purchaser at the F.O.B. point specified on the face of order; or, if no such F.O.B. point is specified, until delivered to a common carrier or to Purchaser's plant, whichever may first occur.
8. **Inspection:** All merchandise is subject to Purchaser's inspection within a reasonable time after arrival at the ultimate destination. If upon inspection any merchandise is found to be unsatisfactory, defective, or of inferior quality or workman-ship, or fails to meet the specifications or any other requirements of order, Purchaser may return such merchandise to Seller at Seller's expense. Payment for merchandise prior to inspection shall not be construed to be an acceptance of unsatisfactory or defective merchandise. Upon the return of any unsatisfactory or defective merchandise, Seller shall reimburse Purchase for (a) any amounts paid by Purchaser on account of the purchase price of such returned merchandise and (b) any costs incurred by Purchaser in connection with the delivery or return of such merchandise.
9. **Warranty:** Seller warrants that the merchandise will conform to its description and any applicable specifications, shall be of good merchantable quality and fit for the known purpose for which it is sold. This warranty is in addition to any standard warranty or service guarantee given by Seller to Purchaser, or any warranty provided by law.
10. **Title:** Seller warrants that the merchandise is free and clear of all liens and encumbrance and that Seller has a good and marketable title to same.
11. **Compliance:** Contractor agrees that during the life of this contract it will not discriminate against any employee or applicant for employment or do any other act which is prohibited by, or fail to comply with the provisions of all applicable federal, state and local laws and regulations pertaining to discrimination which shall be considered a part of this agreement as if more fully set forth herein. Contractor agrees that it will include a provision similar to the above paragraph in all subcontracts entered into for the performance hereof. Contractor hereby agrees that this contract may be cancelled or terminated by the City, and all money due or to become due hereunder may be forfeited for violation of the above statutes and ordinances or this paragraph.
12. **Termination for Default:** In the event of a breach of any of the terms of order including Seller's warranties, Purchaser may, at its option and without prejudice to any of its other rights, cancel any undelivered merchandise.
13. **Patents, Trademarks, and Copyrights:** Seller warrants that the sale or use of this merchandise will not infringe or contribute to the infringement of any patents, copyrights or trademarks in either the United States or foreign countries. Seller shall indemnify Purchaser against any loss or damage (including attorney's fees and other costs of defending an action) arising from the breach of this warranty.
14. **Contract Security:** If required by specifications a bond must be filed in the full amount of contract for the use of the City of Minneapolis, and of all persons during work or furnishing or engaging skill, tools, machinery, materials, insurance premiums, equipment or supplies, under or for the purpose of this contract pursuant to Section 574.26 Minnesota Statutes annotated, for the strict and faithful performance of contract by the contractor or his employees or agent.
