

## Addendum 1

Date: October 9, 2019

Subject: Extension of Submittal Deadline for Electricity from Renewable  
Generation Sources RFI

In regard to the **Request for Information for Electricity from Renewable Generation Sources for Minneapolis Municipal Operations & Community- Wide Goals**, the submittal deadline for proposals has been extended to Wednesday, October 30, 2019 at 4:00pm.

There were questions received after the initial question submittal deadline that the Contract Manager has decided to respond to and have posted. These responses will be posted in a future addendum in the coming days.
