

Emergency Preparedness Training Resources

The organizations below are just a few that offer free preparedness courses online. Depending on your personal interests or professional work there are dozens of topics from which to choose. The Minneapolis Health Department does not endorse any of the organizations included in this flyer.

Federal Emergency Management Agency (FEMA)

The Emergency Management Institute (EMI) offers self-paced courses designed for people who have emergency management responsibilities and the general public. All are offered free-of-charge to those who qualify for enrollment. Courses can be accessed at <http://training.fema.gov/is/>.

Check out:

- IS-100 – Introduction to Incident Command System
- IS-200 – ICS for Single Resources
- IS-700 – National Incident Management System

Johns Hopkins School of Public Health

The Johns Hopkins Public Health Preparedness and Emergency Response Learning Center supports training in order to enhance the competency, capacity and willingness of public health workers to effectively respond to emergencies. Online courses can be accessed at <http://www.jhsph.edu/research/centers-and-institutes/johns-hopkins-center-for-public-health-preparedness/training/online/>.

Check out:

- Psychology and Crisis Response
- Personal Preparedness Programs
- Introduction to Risk Communication

National Center for Disaster Preparedness

The Columbia Regional Learning Center offers three catalogs of online training resources that can be accessed at <http://ncdp.crlctraining.org/catalog/>.

Check out:

- VUL 3801 – Dealing with Disaster Related Trauma in Children
- MGMT 1201 – Elements of Leadership: Decision-Making & Problem-Solving under Emergency Conditions
- PREP 1101 – Fundamentals of Emergency Preparedness

Safe Response

Safe Response provides online training courses for public and private sector responders. Online courses can be accessed at http://www.saferesponse.com/online_courses.

Check out:

- Evacuation Coordinator
- Emergency Response Planning
- Incipient Fire Fighting

U.S. Department of Health & Human Services

The Disaster Information Management Research Center has a collection of resources on free training and education for professional interested in disaster information. The collection can be accessed at <https://sis.nlm.nih.gov/dimrc/trainingresources.html>.
