

Accomplishments from June 1, 2015 - March 31, 2016

Fatherhood Action Team

This A-team partnered with Urban Ventures to organize a father's dinner and discussion on the topic of personal well-being (physical, emotional, mental & spiritual). About 35 fathers attended. Planning for a back to school father-child gathering this fall is already underway

House Action Team

This A-team organized training for Healthy Start case managers on financial literacy and renter's rights and responsibilities. About 25 people attended. Planning for future housing and home ownership training is already underway.

Mental Health Action Team

This A-team brought in a trainer from The Sanctuary Institute to present on the intersections between mental health and trauma-informed care (TIC). Over 50 people attended the training and several organizations, including Healthy Start, contracted partners, are looking at the next steps for TIC implementation.

Safe Sleep Action Team

This A-team is partnering with Shiloh Temple, United Tribes of Little Earth, and Healthy Start contracted partners to host safe sleep community baby showers. At least 45 pregnant women will receive safe sleep messaging and pack-n-plays.
