

Northern Metals Advisory Committee Meeting  
September 13, 2018  
Mississippi Watershed Management Organization  
2522 Marshall St NE, Minneapolis, MN 55418  
4pm (food) 4:30 to 6:30 meeting

**Synopsis:** At this important meeting of the Northern Metals Advisory Council meeting, we will listen to recommendations on how we might distribute funds made available through the Northern Metals Settlement Decree. A total of \$600,000 was made available to distribute over three years to do four things: lead education; asthma education; lead poisoning mitigation; and asthma trigger mitigation.

1. Welcome and Overview of Intent
2. Introductions
3. Review of ground-rules for a productive meeting
4. Recommendations on lead education and mitigation, asthma trigger education and mitigation.
5. Dialogue on recommendations
6. Council members vote on any proposed recommendations they choose to formally propose as final recommendations for support to the Commissioner of the Minneapolis Health Department
7. Determine if and when future meetings will occur in 2018
8. Evaluation and close
