

MINNEAPOLIS POLICE DEPARTMENT UNIFORM CRIME REPORT SUMMARY

February 2013

The information in this report is a snapshot of reported crimes and arrests in Minneapolis for the date range specified. Every effort is taken to ensure accurate data and reports. The numbers for any specific category will change over time due to routine case entry and editing. If errors occur we take whatever steps we can to ensure they are corrected that the error will not be repeated. If you suspect errors, please call us with your concerns. Thank you for your vigilance.

The 2012 counts may be different from those published in the respective month of 2013 since the reports have been re-ran to ensure they are as comparable as possible to 2013 period and current versions of the software. Summing the published monthly increments may not produce the same count as the Year to Date totals due to intervening case editing and program upgrades.

Homicide counts come directly from the Homicide Unit.

In 2013 the FBI (Federal Bureau of Investigation) revised the definition of Criminal Sexual Contact Rape (CSCR) to read as follows: *“The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.”* These reported crimes reflect this definition.
