Subject: Comments on the Draft Community Participation Guidelines

To the NCR:

The following are comments from the Victory Neighborhood Association:

General : It is unclear from the guidelines if NCR will be providing D & O Insurance , Liability Insurance and CPA /Accountant services for preparation of the 990 report .

DETERMINING FUNDING LEVELS

B. Allocation Formula

English as a Second Language (ESL) Students

The use of Minneapolis Public Schools data is an invalid measurement tool for the number of ESL students within a neighborhood. It is a fact that most of the ESL students in the Victory Neighborhood do not attend the Minneapolis Public Schools - they attend either Hopkins, Robbinsdale or a charter schools. In fact there is a Hmong charter school in our neighborhood - Noble Academy.
