Agenda

Agenda Item 4 – HealthyLiving Program

Lara Tiede with the Health and Family Support Department staff will present an overview of the HealthyLiving Minneapolis program. Lara has previously met with the NCEC City Department Engagement Task Force and discussed the engagement techniques used in the program. Lara's presentation to the full NCEC will also focus on the lessons learned with engagement practices in the program.

Agenda Item 5 – Organizational Development Process

This will involve a brief update on the status of the work consultant Lissa Jones is performing.

Agenda Item 6- Revision to Charge of Committee of the Whole

At the March Committee of the Whole meeting there was consensus to broaden the charge to the Committee of the Whole to include discussion of all the duties of the Commission. Included in the meeting packet is an amendment to the charge.
