## Requested Action

Extend the terms of the representatives of the NCEC to the NRP Policy Board through July 22, 2014.

## Background

In July 2013 the Commission appointed the following members to the NRP Policy Board: Jeffrey Strand, Denis Houle, Kirk Roggensack and Andres Hortillosa. The terms of appointment were to run through June 2013. New appointments to the Policy Board will not be made until the July 22<sup>nd</sup> Commission meeting. To avoid a lapse in representation on the Policy Board, it is recommended that the terms of the current four appointees be extended through July 22<sup>nd</sup>.
