

Task Force Charge

Community Forums Task Force

September 27, 2016

Purpose:

The Neighborhood and Community Engagement (NCEC) Commission has determined that periodically it will conduct community forums through the city. Each forum will address an issue currently affecting Minneapolis residents and one in which the City of Minneapolis has a role. These forums will allow Minneapolis residents to speak the Commission on these issues to voice concerns and propose actions for the city to address the issues.

Charge/Deliverables:

The Task Force will make recommendations to the full Commission on the following:

- The topic for each forum.
- The structure and format of the forum.
- The date, time and location of the forum.
- The outreach plan to notify residents of the forum.

This work will be assisted by staff of the Neighborhood and Community Relations Department.

Membership:

Five members of the NCEC will sit on the Task Force.

Duration/Anticipated time commitment:

The task force will be active through June 2017.
