Background

In response to a request from the NRP Policy Board Chair, I requested a report from the Finance Department on the status of meeting the Chapter 604 requirement of the NRP Special Law. The State NRP Special Law (Chapter 604) requires that 52.5% of all NRP funds be spent on housing and housing-related activities. The City's NRP Ordinance (Chapter 419) commissions the Finance Department to audit compliance with this requirement on an annual basis.

Bob Cooper of the Finance Department reported that this is typically done in June of each year, but there is no specific deadline and no specific reporting requirement unless the audit identifies a problem in obtaining the 52.5% housing requirement.

Mr. Cooper has reviewed NRP activity through June 2016 and reported that the NRP remains on target to achieve the 52.5% target, and in fact, current calculations place the program at 53.1%.

	Amount Allocated	Housing Amount (Plans/Contracts)	Pct.

Phase II	31,808,603	22,422,369	70.5%
Phase III	7,937,811	5,182,042	65.3%
Other	75,643,864	36,423,072	48.2%
