Background

The Neighborhood and Community Relations Department and the Neighborhood and Community Engagement Commission (NCEC) are working together through a committee of the commission titled Neighborhoods 2020 Committee. The purpose of the Neighborhoods 2020 Committee is to develop recommendations to the City Council for the next phase of neighborhood programming beyond the year 2020.

NCR staff developed a detailed work plan and reviewed it with the Neighborhoods 2020 Committee during their September 26, 2016 meeting, and incorporated recommendations into the document. The work plan will guide their work and engagement through spring of 2018.
