*Classes to get you rolling!*

Easy-Paced Rides and Maintenance Classes

Healthy. Fun. Smart.

Fresh Air. Friends.

Convenient. Free!

## Get Up & Go!

Are you new to bicycling, getting back on a bike after a few years or interested in bicycling more? Join friends and neighbors for fun and educational rides and classes in your area.

## Basic Bike Maintenance

Keeping your bike working isn't rocket science, but it does take a little know-how and occasional grimy hands. This class includes tire inflation, brake adjustment, cleaning & lubricating a bike chain and changing a tube. Participants will receive free inner tube patch kits.

## Neighborhood Bicycle Tours

Do you want to get out and ride, but you don't feel comfortable sharing the road with cars?

This class will teach you about finding a route, planning trips and riding safely and comfortably with traffic. We will ride some of Minneapolis' great bikeways and make stops at bike-friendly businesses. All rides are easy-paced and led by bicycle instructors. Please bring bike lights if you are attending a 6:00 PM class (\*).
