**RE: Riverside Ave Reconstruction Project Phase 2
Pre-Construction Public Meeting**

Dear Project Stakeholder,

The City of Minneapolis Public Works is reconstructing Riverside Avenue over the 2011 and 2012 construction seasons. The reconstruction project will consist of full removal and replacement of base, pavement, curb, gutter, sidewalks, lighting, traffic signals, stormwater management technologies, and a new striping plan. The reconstruction will impact local parking, bike lanes, and pedestrian paths as well as the drive lane configuration. For the Reconstruction Phase 2 work in 2012 season, our construction will be from Cedar Avenue to 23rd Avenue S (south leg). We will also be finalizing the construction work started in 2011.

The City of Minneapolis Department of Public Works will be holding an informational meeting to address any questions you may have about the upcoming construction. The meeting is scheduled for **Wednesday, April 11th, 2012, at 5PM:**

**Oren Gateway Center
