

May 21, 2012

Good Afternoon,

A quick update

Eastbound Lake St will be closed between Blaisdell to 1st Ave starting tomorrow morning (May 22nd). Thomas and Sons has some removal and manhole work along Lake St. At the same time Center Point will be working on their gas main work along Lake Street at Nicollet.

Local access to Office Max and Shops will continue to be on Nicollet from Lake St.

Note of a coming closure:

The intersection of 31st St and Nicollet Ave will need to be closed for underground work. This closure will start following the completion of the work on Lake St Day with the complete closure to last no more than 10 working days; other lane closures on 31st St may be needed in addition to the full closure. Information will be shared as it's available. It's anticipated that this closure will begin on or around May 29th.
