Good Afternoon,

Asphalt coming tomorrow!

Thomas and Sons is ready for the first layer of asphalt. They intend to start tomorrow and will work towards getting the first layer in between Lake St and 32nd St, with the exception of the intersection of 31st St. Following the first layer of asphalt, the plan is to start curbs and driveways on Friday. This would allow time over the weekend for curing.

Local access to Office Max and Shops will continue to be on Nicollet from Lake St. Access to the Wells Fargo drive-thru will still be off 31st St.

Thomas and Sons will continue their work at 31st St as well. Additional information will be shared when it's available.

Minneapolis Water will be testing the newly lined watermain and will soon begin removing the temporary lines. Additional information will be shared as it's available.

OTHER CONSTRUCTION INFORMATION

CenterPoint Energy service crew will continue making connections to the new gas main. They will continue to move south through the project area, down to 40th St. They will be making appointments with each property/business owner to set up a time for this work to take place so the crew typically has to jump around a bit to meet these demands.
