RE: Minnehaha Avenue Reconstruction Project

Dear Property Owner/Tax Payer,

You are invited to attend an informational meeting regarding the proposed reconstruction of Minnehaha Avenue between 26th St E and 24th St E (location map attached). The city of Minneapolis has identified this corridor for full reconstruction including pavements, curb and gutter, storm drains and some sidewalks. Construction is anticipated to begin in 2015. The purpose of the meeting is to introduce the project to the neighborhood and solicit input from business proprietors, residents and property owners regarding the project to help guide the design process. This is the first project meeting for this Minnehaha Avenue project. The city plans to conduct at least one more follow-up meeting to assist with the design process and incorporate input from the community prior to seeking City Council action in the fall of 2014.

The meeting is scheduled for **August 19th at 1:00 PM**. The meeting will be held in the community room of the Gandhi Mahal Restaurant:

Gandhi Mahal
3009 27th Avenue South
Minneapolis MN 55406
