Dear Stakeholders:

The construction is well underway with the curb and gutter removals on the west side of the street. New curb and gutter construction is planned for next week. Temporary striping will also be placed in the next week.

**BUSINESSES/BUILDINGS ARE OPEN DURING CONSTRUCTION.**

Our plan is to maintain pedestrian traffic to doors ways along the corridor. Please be aware of the construction zone and use the other side of the street for pedestrian movement when possible. Thank you for your patience during construction.

Please visit the project website for additional information at:
