**RE: 38<sup>th</sup> St E Reconstruction**

Dear Project Stakeholder,

The City of Minneapolis Public Works is planning on reconstructing 38<sup>th</sup> St E between Hiawatha Ave and Minnehaha Ave during the 2016 construction season. The project will include full removal of the existing street, subgrade correction, new pavement, curb and gutter, driveways, sidewalk as needed, streetscape elements as needed, and utility work as needed. The reconstruction will impact local parking, bike lanes, and pedestrian paths.

The City of Minneapolis Department of Public Works will be holding an informational meeting to address any questions you may have regarding the proposed project. The meeting is scheduled for **Wednesday, September 17, 2014**, at the **Minnehaha Communion Lutheran Church**. A short presentation will start at **5:00PM** followed by an open forum for questions and comments.
