

September 22, 2014

Dear Stakeholders:

**Department of  
Public Works**

Steven A. Kotke, P.E.  
City Engineer  
Director

350 South 5th Street - Room 203  
Minneapolis MN 55415

Office 612 673-3000  
Fax 612 673-3565  
TTY 612 673-2157

The construction is well underway and continues to move along quickly. The sidewalk on the west side is close to complete. The remaining sidewalk on the west side is awaiting the reconstruction of the signal system at 4<sup>th</sup> St S/Cedar Ave/Riverside Ave. The sidewalk removal and reconstruction on the east side of Cedar Ave has started. The light poles on the west side are up and running.

The Minneapolis Park Board will be coming through the corridor and inspecting/evaluating the trees. The project has finished removing trees necessary to construct the sidewalks. However, the Minneapolis Park Board may need to remove and replace additional trees as part of the review.

**BUSINESSES/BUILDINGS ARE OPEN DURING CONSTRUCTION.** Our plan is to maintain pedestrian traffic to doors ways along the corridor. Please be aware of the construction zone and use the other side of the street for pedestrian movement when possible. Thank you for your patience during construction.

Please visit the project website for additional information at:  
<http://www.minneapolismn.gov/cip/all/WCMS1P-119782>

As a reminder, I am available every Thursday from 10 to 11 AM at the job site to answer your questions and address concerns. Please feel free to visit me at the job trailer on 16th Av S north of 4th St S (behind The Red Sea). Bob Schmidt is also available to answer more immediate questions you may have regarding the project. You can call me or Bob at any time with your questions or concerns. For questions about the project you can contact Bob Schmidt at 651-308-3805. For general questions contact me at 612-673-3274.

Chris Engelmann  
Project Engineer
