Re: 15<sup>th</sup> Ave. /4<sup>th</sup> St. Reconstruction Project Update

Dear Minneapolis Resident/Business:

It is finally getting warm enough for more construction work to resume. Remaining activities include removing and preparation of the sidewalk areas, sidewalk construction, and sod placement. These activities will start this week. Sidewalk construction is planned for next week. Sod placement is planned for mid-May. A variety of other punch list items will also be completed in the coming weeks.

Thank you for your patience during construction.
