Dear Property Owner and/or Resident,

The Minneapolis City Council is proposing a street reconstruction project on Hennepin Avenue South between Lake Street West and 36th Street W.

The scope of the project will encompass the entire right-of-way and include full removal of the existing street, subgrade correction, new pavement, curb and gutter, driveways, sidewalk as needed, streetscape elements as needed, utility work as needed, pavement markings, signals, and signage. The reconstruction will impact local parking and pedestrian paths. The project limits are shown on the attached map, with construction proposed to begin in 2018.

The Department of Public Works will hold an informational open house to address any questions that you may have about the Hennepin Avenue South Reconstruction project and seek feedback on the corridor.

The open house will be held on **Wednesday, January 25, 2017 between 6:00-8:00 p.m.** at which time attendees will have an opportunity to learn about the project, ask questions, and share ideas about the street design. Attendees may come and go as they please. The meeting will be located at:

**Bryant Square Park Recreation Center
3101 Bryant Avenue South
Minneapolis, MN 55408**

To learn more about the proposed project, sign up for project email updates, or share your ideas, please visit the project website:
