Dear Property Owner and/or Resident,

The Minneapolis City Council is proposing a street reconstruction project on Hennepin Avenue South between Lake Street West and 36th Street West.

The scope of the project will encompass the entire right-of-way and include full removal of the existing street, subgrade correction, new pavement, curb and gutter, driveways, sidewalk as needed, streetscape elements as needed, utility work as needed, pavement markings, signals, and signage. The project limits are shown on the attached map, with construction proposed to begin in 2018.

The Department of Public Works will hold a **third informational meeting** to present the recommended concept for the street and discuss next steps for the project. This meeting is a follow up to two project open house meetings held in January and March of 2017. The third meeting will be held on **Thursday, April 27, 2017 between 6:00-7:00 p.m.** and will include a presentation by project staff.

The meeting will be located at:
Bryant Square Park Recreation Center
3101 Bryant Avenue South
Minneapolis, MN 55408
