

Notice of Public Meeting about a future bicycle boulevard on 17th Ave S

The City of Minneapolis invites you to a public meeting about a proposed bicycle boulevard on 17th Avenue S.

This meeting will discuss possible changes on:
17th Avenue S, between 38th Street and Minnehaha Pkwy
12th Avenue S, between Minnehaha Parkway and 54th Street

When: **Tuesday, October 12th, 6:30 pm**
Where: **Bethel Evangelical Lutheran Church, 4120 17th Ave S**

This project is intended to provide a north-south route for people bicycling in the Bancroft neighborhood. **It will NOT include parking removal.** On a bike boulevard, cars and bicycles share the driving lane. A bike boulevard includes traffic calming and improves bike and pedestrian crossings at busy streets. It also includes pavement markings and bicycle way finding signs.

Pavement marking example
(no yellow centerline will be used)

Minneapolis Public Works has developed a draft layout with several possibilities. The public will be asked to rank preferences. **All possibilities will NOT be constructed.**

Possibilities in Bancroft (between 38th St & 42nd St) include:

- **38th Street & 17th Avenue:** Median on 38th Street
- **40th Street & 17th Avenue:** Miniature traffic circle*, remove north/south stop signs
- **42nd Street & 17th Avenue:** Median on 42nd Street

* For more information about miniature traffic circles, visit the project website below.

Miniature traffic circle example*
(no changes are made to existing curbs)

Questions and feedback are welcome: Contact Shaun Murphy, Minneapolis Public Works, at 612-333-2450 or shaun.murphy@ci.minneapolis.mn.us.
