

Notice of Public Meeting about potential parking changes on 5th Street NE

You are invited to a public meeting to discuss proposed changes to identify a bike route on 5th Street between 8th Avenue SE and 26th Avenue NE.

When: Wednesday, February 10 - 7:00 p.m.

Where: Firefighters' Hall, 664 22nd Avenue NE, Minneapolis

This project is intended to provide a north-south route for bicyclists. Parking removal is being explored on 5th Street NE between 3rd Avenue NE and Washington Street NE, *on the east side only*. The east side of 5th Street NE in this section borders St Anthony Park and Webster School.

In order to implement the bike route, Minneapolis Public Works is exploring parking removal. The public is being asked to provide information on the impact of potential parking removal.

This public meeting will also be held to discuss the “bicycle boulevard” concept, to the north and south of this area of 5th Street.

More Information: Visit www.ci.minneapolis.mn.us/bicycles/5thStBikeBlvd.asp or contact Shaun Murphy, Minneapolis Public Works, at 612-333-2450 or shaun.murphy@ci.minneapolis.mn.us. Questions or feedback are welcome.

Hosted by Minneapolis Public Works
