

# Notice of Public Meeting about a future bike boulevard on 5<sup>th</sup> Street NE/SE and 22<sup>nd</sup> Avenue NE

You are invited to a public meeting to discuss proposed changes to identify bicycle boulevards on 5<sup>th</sup> Street between 8<sup>th</sup> Avenue SE and 26<sup>th</sup> Avenue NE, and 22<sup>nd</sup> Avenue NE between Marshall Street and Central Avenue.

When: **Wednesday, February 10 - 7:00 p.m.**

Where: **Firefighters' Hall, 664 22<sup>nd</sup> Avenue NE, Minneapolis**

This project is intended to provide a north-south and an east-west route for bicyclists. **It will NOT entail parking removal.** A bike boulevard provides shared lanes (bikes and cars together) in the middle of the street.

In order to implement the bicycle boulevard, Minneapolis Public Works has developed a layout with several options. The public will be asked to rank preferences for items such as:

- Traffic calming
- Improvements to busy crossings
- Cut thru shortcuts for bikes at existing traffic diverters

The project will also include way finding and route identifier signs, as well as pavement markings.
