Map A-6: Population and Employment

2000 Population and Employment by Traffic Analysis Zone

- 1 Dot = 50
- Population
- Employment
- Park; Golf Course
- Cemetery
- Water

Notes:
Population and employment are displayed through a random placement of dots within each TAZ. Each dot represents 50 persons and does not indicate the actual location of residents or employees. Dots were excluded from areas which are parks, golf courses, cemeteries, water, or freeways.
