

Notice of Public Meeting about a future bicycle boulevard on 12th Ave S

The City of Minneapolis invites you to a public meeting about a proposed bicycle boulevard on 12th Avenue S.

This meeting will discuss possible changes on:
12th Avenue S, between Minnehaha Parkway and 54th Street
17th Avenue S, between 38th Street and Minnehaha Pkwy

When: **Tuesday, October 12th, 6:30 pm**

Where: **Bethel Evangelical Lutheran Church, 4120 17th Ave S**

This project is intended to provide a north-south route for people bicycling in the Hale neighborhood. **It will NOT include parking removal.** On a bike boulevard, cars and bicycles share the driving lane. A bike boulevard includes traffic calming and improves bike and pedestrian crossings at busy streets. It also includes pavement markings and bicycle way finding signs.

Pavement marking example
(no yellow centerline will be used)

Minneapolis Public Works has developed a draft layout with several possibilities. The public will be asked to rank preferences. **All possibilities will NOT be constructed.**

Possibilities in Hale (between Minnehaha Pkwy & 55th Street) include:

- *51st Street & 12th Avenue:* Miniature traffic circle*, remove north-south stop signs
- *12th Avenue between 52nd & 53rd Streets:* Speed bumps

* For more information about miniature traffic circles, visit the project website below.

Miniature traffic circle example*
(no changes are made to existing curbs)

Questions and feedback are welcome: Contact Shaun Murphy, Minneapolis Public Works, at 612-333-2450 or shaun.murphy@ci.minneapolis.mn.us.
