

Lowry – Polk Median Draft Proposal*

*Not all elements are to scale.

- Wide median gives a comfortable waiting space for people bicycling and walking
- Parking is removed on Lowry Avenue between the Central-Polk alley and the Polk-Taylor alley
- Motorist left turns are prohibited, right turns remain
- North – south Polk Street motorists prohibited, Lowry east – west motorists are unrestricted

*Green space and trees are for illustrative purposes only and are not necessarily part of the median proposal.
