**RE: 31<sup>st</sup> Street E Reconstruction**

Dear Property Owner/Tax Payer,

The City of Minneapolis is preparing to reconstruct 31<sup>st</sup> Street E between Minnehaha Avenue and 28<sup>th</sup> Avenue S. A location map is on the back of this sheet. The project will include new pavement, curb and gutter, and coordinated utility work. The project might also include new street lighting. Construction is planned to begin in 2013.

A public meeting is scheduled for **October 24<sup>th</sup> at 6:00 PM**. The meeting will be held at the Minneapolis Police 3<sup>rd</sup> Precinct.

**Minneapolis 3<sup>rd</sup> Precinct**  
3000 Minnehaha Avenue  
Minneapolis, MN 55406

The project is currently in the preliminary design phase. The goal of the meeting is to give Public Works the opportunity to consider your concerns and other input before design decisions are made. Discussion will include street and boulevard widths and street lighting.

I look forward to meeting you and hearing your input on this project. If you have questions and can not attend the meeting, please contact me at (612) 673.2363 or [jeff.handeland@minneapolismn.gov](mailto:jeff.handeland@minneapolismn.gov).

Sincerely,

Jeff Handeland
