

31st St E Reconstruction - 1st Public Meeting Notes

Location/Date of Meeting: 3rd Precinct Police Station / October 24, 2012

Attendees: One Resident

City Staff: Jeff Handeland

Purpose of Meeting

- Inform public of basic project information
- Present draft layout
- Gain timely input from public pertinent to geometric layout design
- Inform public specifically about street lighting and upcoming petition

Input from Resident

- Storm drains at north end of 28th Ave tend to clog with garbage and leaves
- Post office circulation challenging, but post office is appreciated
- Squaring 31st to Minnehaha would slightly improve distance between Minnehaha's intersections with 31st Street and with 27th Avenue
- Lighting would provide some benefit
- Preference for lantern-style lights
