

Minneapolis needs you to recycle

Benefits to you

- Feel good about helping your community and putting trash to good use.

Benefits to the economy

- Recycling collection and recycled products manufacturing in Minnesota provide 53,000 jobs and \$6.4 billion gross economic activity annually.

Benefits to the environment

- Recycling is one of the easiest ways to protect the environment.
- Recycling saves energy and reduces greenhouse gas emissions.
- Recycling conserves vital natural resources such as trees and water.

How to recycle

Recycling is collected every other week on your garbage day. *Have your recycling cart to the curb by 6 a.m.*

Recycling Calendar – EXAMPLE
