

## **Penn Avenue S. Phase I Reconstruction Update August 6, 2012**

The result of the street lighting petition on Penn Ave S - Phase 1 (between MN-62 and 100 feet north of 54th St) is that we received petitions opposed to the lighting which represent 63% of the influence area. Therefore, the lighting project is scheduled to proceed in coordination with the 2013 reconstruction.

**City Council canceled the lighting project on 2-07-13. See [2-21-2013](#) update for more information.**
